ROSCOE MEDICAL ANNOUNCES AGREEMENT WITH H. D. SMITH

STRONGSVILLE, Ohio, January 12, 2010 – Roscoe Medical is pleased to announce it has signed a two-year agreement with full service wholesaler H. D. Smith, effective January 1, 2010. As a result of the agreement, H. D. Smith will distribute Roscoe Medical's product throughout their many distribution centers across the United States.

H. D. Smith will offer Roscoe Medical's durable medical equipment line via the company's catalog and e-commerce website. Products contained in the agreement include bath benches, raised toilet seats, commodes, canes, walkers, rollators, transport chairs and wheelchairs.

"We are thrilled to be working with Roscoe Medical and we think this agreement represents a great opportunity to grow our businesses," said Avi Weiss, Director of Home Healthcare, H. D. Smith. "Roscoe is the alternative to other OEM's that we have been searching for and their customer service is unmatched in the industry."

"We are excited to partner with such a strong and reputable company as H. D. Smith," said Ray Ganz, Senior Vice President of Sales, Roscoe Medical. "This agreement solidifies our position as a major manufacturer and distributor of home health products in the United States."
