ROSCOE MEDICAL RECOGNIZED AS 2010 CRAIN'S LEADING EDGE AWARD WINNER

STRONGSVILLE, Ohio, May 26, 2010, – Roscoe Medical, a manufacturer and distributor of home medical equipment, was named a 2010 Crain's Leading Edge Award Winner. This marks the fourth consecutive year that Roscoe Medical has won the award.

"We are honored to receive this recognition once again," said Jesse Keirn, President of Roscoe Medical. "It's a reflection of our entire team that has built the company to its current success."

The Crain's Leading Edge Award measures, tracks and recognizes middle-market companies in Northeast Ohio companies that are creating the most value for themselves as well as for the community through employee and revenue growth.

About Roscoe Medical

Roscoe Medical is a global manufacturer and distributor of products used in the home health care market. The company's core product lines include Respiratory products, CPAP products and Durable Medical Equipment. Serving customers through out the U.S., Canada, Europe and Puerto Rico, the company is known for its superior customer service, high quality innovative products and competitive prices.
