### ROSCOE NAMED NEO SUCCESS AWARD WINNER

STRONGSVILLE, Ohio, March 19, 2010, – Roscoe Medical, a manufacturer and distributor of home medical equipment, was named an NEO Success Award Winner for the sixth time by a leading local business organization.

"We are proud to have again received this recognition," said Jesse Keirn, President of Roscoe. "This award is a reflection of the hard work and commitment of our entire team of employees."

The NEO Success Awards annually recognizes the top-performing public, private and emerging companies in Northeast Ohio. Award winners are determined by a three-year growth formula that incorporates revenue growth, employee growth and profitability. Qualifying companies must show consistent growth over the last three years. Roscoe Medical has had 18% growth in employees and 40% growth in revenue from 2008-2010.

#### **About Roscoe Medical**

Roscoe Medical is a global manufacturer and distributor of products used in the home health care market. The company's core product lines include Respiratory products, CPAP products and Durable Medical Equipment.

Serving customers through out the U.S., Canada, Europe and Puerto Rico, the company is known for its superior customer service, high quality innovative products and competitive prices.
